

Loop de Loop (Flip Flop Flyin' in an Aeroplane)

Beach Boys

(Hurry, hurry, hurry!)
(Step right up, just one thin dime)
(Take a ride with the laughing lady!)

Loop de loop, flip flop
Fly away in an aeroplane (Fly away)
Loop de loop, flip flop
Take away in my aeroplane (Fly away)
Loop de loop, flip flop
Fly away in my aeroplane (Fly away)
Loop de loop, flip flop
Fly away in an aeroplane (Fly away)

Have you ever been in an airplane?
Up above the clouds, there's no rain
Would you like to come along
And fly away with me?

Loop de loop, flip flop
Flying in an aeroplane
Loop de loop, flip flop
Take you in my aeroplane (Fly away)
Loop de loop, flip flop
Fly away in my aeroplane (Fly away)
Loop de loop, flip flop
Flying in an aeroplane (Fly away)

Peepin' and a-hidin'
In and out of the clouds
Lolita lost her hanky
Wavin' down at the crowd
We'll barnstorm down
And buzz the rooster on the weathervane

Loop de loop, flip flop
Flying in an aeroplane
Loop de loop, flip flop
Take away in my aeroplane (Fly away)
Loop de loop, flip flop
Fly away in my aeroplane (Fly away)
Loop de loop, flip flop
Fly away in an aeroplane (Fly away)

Huffin' and a-puffin'
Flyin' high as she can
A patchwork quilt
Stretches over the land
We'll toss and tumble
And sail her right into the sun

Loop de loop, flip flop
Flying in an aeroplane
Loop de loop, flip flop
Take away in an aeroplane (Fly away)
Loop de loop, flip flop
Gotcha in my aeroplane (Fly away)
Loop de loop, flip flop

Flying in an aeroplane (Fly away)

Loop de loop, flip flop
Fly away an aeroplane (Fly away)
Loop de loop, flip flop
Take you in my aeroplane (Fly away)
Loop de loop, flip flop
Gotcha in my aeroplane (Fly away)
Loop de loop, flip flop
Fly away an aeroplane (Fly away)

Loop de loop, flip flop
Fly away an aeroplane (Fly away)
Loop de loop, flip flop
Take you in my aeroplane (Fly away)
Loop de loop, flip flop
Fly away in my aeroplane (Fly away)
Loop de loop, flip flop
Fly away an aeroplane (Fly away)

Loop de loop, flip flop
Fly away an aeroplane (Fly away)
Loop de loop, flip flop
Fly away an aeroplane (Fly away)
Loop de loop, flip flop
Take away in my aeroplane (Fly away)
Loop de loop, flip flop...
