

My Little Red Book

Beach Boys

I just took out my little red book
The minute that you said goodbye
I thumbed right through my little red book
I wasn't gonna sit and cry

And I went from A to Z
I took out every pretty girl in town
They danced with me
While I held them

All I did was talk about you
Call your name and I, I start to cry
There's just no getting over you

I thumbed right through that little red book
I really felt sad inside
I went around town just holdin' my arms open
Open wide

And I went from A to Z
I took out every pretty girl in town
They danced with me
While I held them

All I did was talk about you
Call your name and I, I start to cry
There's just no getting over you

Woo, oo
Dn-dn-din-di-di-do-de-de-de
Oo oo oo
Dn-dn-din-di-di-do-de-de-de

And I went from A to Z
I took out every pretty girl in town
They danced with me
And while I held them

All I did was talk about you
Call your name and I, I start to cry
There's just no getting over you
