

# Our Sweet Love

Beach Boys

I thought about a summer day  
And how the time just floats away  
Pretty things like incense and flowers  
I wanna make them part of

Our sweet love  
Could last forever  
(Our sweet love)  
Our sweet love  
Could last forever

I thought about a winter night  
And how I'd like to hold you tight  
Candlelight the warmth of a fire  
We could make them part of

Our sweet love  
Honey it's heaven  
(Our sweet love)  
Our sweet love  
Could last forever

Sweet love sweet love

Like a child with his new toy  
My heart is filled with joy for

Our sweet love  
Honey it's heaven  
(Our sweet love)  
Our sweet love

Lord knows I love her so  
I feel it down inside my soul  
A precious love like this can flower  
There's nothing in this world like

Our sweet love  
Should last forever  
(Our sweet love)  
Our sweet love  
Could last forever  
Our sweet love  
Could last forever  
Our sweet love  
Could last forever  
(Our sweet love)  
Oh
