

Out In The Country (Version 2)

Beach Boys

Out (where the livin') in the countryside (way, way out...)

(These 'phones aren't workin'

Not at all?

Mm nnh

Neither are mine... probably not plugged in. Yeah, I'm not

This could be the reason, Brian. This could be the reason here

Can you plug me in to where you...

Oo oo oo...

More lead...

Ah ah ah ah

Can you turn Alan up in the 'phones, please?

Ah ah ah

Turn Al's lead up in the 'phones, please?

Ah ah ah ah

Thank you

3, 4)

I can't see me hangin' around

Shufflin' my feet through the same ragged town

All of the city life's gettin' me down

Can't you see?

Out in the country where I'd rather be

Grazin' in the fields of yellow and green

Gotta keep movin' on

This life ain't for me

(Woo oo oo oo oo)

Out there (in the country) (where livin' is easy) in the countryside (way out)

Out there (in the country) (where livin' is easy) in the countryside (way out)

Out there (in the country) (where livin' is easy) in the countryside (way out)

Out there (in the country) (where livin' is easy) in the countryside (way out)

Out there (in the country) (where livin' is easy) in the countryside (way out)

Out there (in the country) (where livin' is easy) in the countryside (way out)
