

Skatetown USA

Beach Boys

Skatetown, Skatetown U.S.A.
Run and get your wheels on right away
'Cause skatetown, skatetown sure is fun
Those groovy little wheels are gonna get me some

The boys went out skatin' just the other night
There were so many girls it was a wonderful sight
They all looked so good, you know it blew my mind
And we all skated backward in a great big ol' line

Skatetown, Skatetown U.S.A.
Run and get your wheels on right away
'Cause skatetown, skatetown sure is fun
Those groovy little wheels are gonna get me some

East, west, north and south, and in between
There is no town where rollerskates are not to be seen
Shoeskates are everywhere in high demand
'Cause rollerskatin' fever now is sweepin' the land

Skatetown, Skatetown U.S.A.
Run and get your wheels on right away
'Cause skatetown, skatetown sure is fun
Those groovy little wheels are gonna get me some

Skatetown, Skatetown U.S.A.
Run and get your wheels on right away
'Cause skatetown, skatetown sure is fun
Those groovy little wheels are gonna get me some

Skatetown, Skatetown U.S.A.
Run and get your wheels on right away
'Cause skatetown, skatetown sure is fun
Those groovy little wheels are gonna get me some
