

## Ghost

## Beach Bunny

Said you love me  
I love you so, I love you so  
Then you let me  
Let me go, let me go  
Oh, you haunt me like a ghost  
Oh, you haunt me like a ghost

Kiss me goodbye  
I'll see you then, I'll see you then  
Oh, let's pretend  
Let's pretend it's not the end  
Oh, but these wounds never mend  
Oh, but these wounds never mend

Someone said, you were gonna go  
Why'd I get so close?  
Babe, I should have known  
In bed, staring at the phone  
Wishing you would call  
But you never called me up

Lately I've been feeling like a ghost  
My eyes were closed  
I didn't see you go  
Lately I've been feeling like a ghost  
Why'd I get so close?  
Just to let me go

Why'd you leave me  
In the dark, in the dark?  
Why'd you go and break my heart, break my heart?  
Oh, but I love falling apart  
Oh, but I love falling apart
