

## Nice Guys

Beach Bunny

You're so pretentious  
Pretending like you hate me when the world don't go your way  
So tell your guy friends  
She was super clingy so you gotta get away  
You're not my interest!  
If your ego had a zip code it would be a whole state wide  
But sure, I'm obsessed  
I guess if you're polite it means I oughta stay the night  
Right?

I'm sick of nice guys  
I want someone who actually wears hearts inside their eyes  
And isn't only interested in what's between my thighs  
You win me like a trophy not a consolation prize

(Oh, oh)  
(Oh, oh)

You're so persistent  
Asking why I'm distant, maybe learn to read the signs  
You're inconsistent  
Claiming I'm your everything, but also not your type  
So tell your guy friends  
The conversation where I left things off the other night  
I'm sure from your end  
You got in my pants then left my ass, and made me cry  
Right?

I'm sick of nice guys  
I want someone who actually wears hearts inside their eyes  
And isn't only interested in what's between my thighs  
You win me like a trophy not a consolation prize

You win me like a trophy  
Not a consolation prize
