

Miedo

Beach Goons

I don't want to cry
Every single night
Alone, inside
Mama can't you tell now?

Every time I try
To tell you I'm alright
You know I lie
Mama can't you tell now?

And I-I-I
Don't wanna be on my own
You know I'm scared, yeah you know I'm scared

And I-I-I
Don't wanna be on my own
You know I'm scared, yeah you know I'm scared

I just wanna play
This stupid song all day
And hope that I
Can help you figure things out

I don't want to work
A nine to five today
You know it hurts
So mama can't you tell now?

And I-I-I
Don't wanna be on my own
You know I'm scared, yeah you know I'm scared

And I-I-I
Don't wanna be on my own
You know I'm scared, yeah you know I'm scared
