Beach Goons

It's Saturday and I'm feeling alone today  
I wanna drink till I'm throwing up all night  
I've got no friends, I've got no life I'm sitting at home  
I need some friends, I wanna smoke

I wanna be the one to tell you I'm fine  
I wanna be the one to say it's alright  
I wanna see you almost every night  
I wanna tell you ill be just fine

Ohooooohohhooohh

I wanna be the one to tell you I'm fine  
I wanna be out of the house every night  
But I'm too bummed to even try  
Maybe I'm really not alright
