

# The End

Beach Goons

Everybody is dead  
All my friends are dead  
And I'm tryin' my best  
My best to reach things

Everybody is dead  
All my friends are dead  
And I'm tryin' my best  
My best to reach things

Everybody is dead  
All my friends are dead  
And I'm tryin' my best  
My best to reach things

Everybody is dead  
Everybody is dead  
Everybody is dead  
Everybody is dead
