

## Alien

## Beach House

City light  
White on white  
In your eyes  
Stings your face  
Alien  
Before it slips away

Paper dolls  
On the wires  
Set on fire  
[?] which comes  
Between us  
Takes us all away

Sorry sometimes  
I get carried away

Up on the movie screen  
Black beauty limousines for you  
These dreams of chelsea days  
Fake flowers to the grave for you  
Helpless and glimmering  
Dear Sundays up all night with you

Sorry sometimes  
I get carried away  
Sorry sometimes  
I get carried away  
Sorry sometimes  
(Helpless and glimmering) (Fake flowers to the grave for you)  
I get carried away  
Sorry sometimes  
(Up on the movie screen) (Fake flowers to the grave for you)  
I get carried away  
Sorry sometimes  
(Helpless and glimmering) (Fake flowers to the grave for you)  
I get carried away
