

# Lazuli

## Beach House

In the blue  
Of this life  
Where it ends  
In the night  
When you couldn't see  
You would come for me

Wonder eyes  
Motion high  
And we don't dare  
Slip on by

Make us suffer  
Like no other

Is nothing like lapis lazuli  
Let it go back to me

Like no other  
You can't be replaced
