Beach House

You know you're gold, you don't gotta worry none
Oasis child, born and so wild
Don't I know you better than the rest
All deception, all deception from you

Your love is stag in the white sand
Wilderness for miles, eyes so mild and wise
Don't I know you better than the rest
All deception, all deception from you

Any way you run, you run before us
Black and white horse arching among us

Your love is stag in the white sand
Oasis child born into a man
Don't I know you better than the rest
All deception, all deception from you

Wilderness for miles, eyes so mild and wise
Oasis child, born and so wild
Don't I know you better than the rest
All deception, all deception from you

Any way you run, you run before us
Black and white horse arching among us
