

Beach Talk

Beach Rats

Another night in this beach town
Nothing's quiet if you look around
The people left the beach hours ago
And some striped shirt's in the art zone

Conversation likes to spread around
Conversation likes to spread around
Downtown talk or beach chatter
It doesn't matter
Conversation likes to spread around
Conversation likes to spread around
Downtown talk or beach chatter
It doesn't matter

Reservations in a restaurant
Gonna sit, gonna talk talk talk
Ride your bike to the liquor store
