

## Bikes Out!

Beach Rats

Bikes out  
Shows on!  
Cross town  
People on the street  
Ride on!  
Bands on!  
Guest list!  
It's night and the faces are blurring  
The small talk is draining  
Back doors are waiting  
The moonlight is calling  
Ride to the bridge, take a light off  
A spliff say goodnight!

Ride to the bridge, take a light off  
A spliff say goodnight!

Wait for me  
And watch for me  
In the perfect night  
Bikes on the street  
Wait for me  
And watch for me  
In the perfect night  
Bikes on the street
