Blown To Bits

Beach Rats

Made a mistake I can't fix
Took something good all to bits
I'd change it all, make things straight
Made a mistake, it's too late

Everything's blown to fuckin' bits
And I'm trying to make the hits
Everything's blown to fuckin' bits
And I'm trying to make the hits
Everything's blown to fuckin' bits
And I'm trying to make the hits
Everything's blown to fuckin' bits
And I'm trying to make the hits

Made a mistake I can't fix
Took good all to bits
I'd change it all, if I could
Made a mistake
