

## Heavy Conversation

Beach Rats

Keep it for tomorrow  
Tiny drops of rain on my window  
Bent keys on my keychain

It's all the same

Turn on the light  
Turn the tone down  
Going crazy ice cream cones  
Heavy conversation  
And my brains gonna burst with the tension

It's all the same  
It's all the same  
It's all the same

Gonna watch all the heads tonight  
Gonna watch on the TV show  
Sit on my ass tonight  
Gonna watch on the TV show  
Nothing gets done tonight  
Watch on the TV show  
Nothing gets done tonight  
Nothing gets done
