

Rat Beat

Beach Rats

Rat, rats, we're the rats
In the basement making tracks
On the boards or on the beach
Dubs lays down that beach rats beat

Rats attack
Rats attack

Young dude with a new attitude
Bucks in the corner, that's so true
All the boys act so paranoid
You better go better see that it's yours

Rat, rats, we're the rats
In the basement making tracks
On the boards or on the beach
Dubs lays down that beach rats beat

Young dude I met a million of you
Bucks in the corner that's all true
But your boy he's so paranoid
You better go, better see 'bout your boy
You better go, better see 'bout your boy
You better go, better see 'bout your boy
You better go, better make a choice
