

Nightcrawler

Beach Weather

Nightcrawler of California
I've been keeping up on you
On the inside, social vampire
Invisible to you

Lost in a daydream
And I don't know myself at all

You pull me outta love
Push me out the bed
Shake me till I'm numb
You remember what you said
What you said to me?
Said to me, said to me

You're breaking us apart
Keep me in the dark
'Cause you're never gonna see me again
You're never gonna see me again
'Cause you're dead to me, dead to me
You're dead to me, dead to me
You're dead to me, dead to me

Crying naked
Try and fake it
I got nothing left to hide
Like a vulture moving closer
And eating me inside

Lost in a daydream
And I don't know myself at all

You pull me outta love
Push me out the bed
Shake me till I'm numb
You remember what you said
What you said to me?
Said to me, said to me

You're breaking us apart
Keep me in the dark
'Cause you're never gonna see me again
You're never gonna see me again
'Cause you're dead to me, dead to me
You're dead to me, dead to me
You're dead to me, dead to me

Lost in a daydream, I don't know myself at all, oh
Lost in a daydream, I don't know myself at all

You pull me outta love
Push me out the bed
Shake me till I'm numb
You remember what you said
What you said to me?
Said to me, said to me

You're breaking us apart
Keep me in the dark
'Cause you're never gonna see me again
You're never gonna see me again
'Cause you're dead to me, dead to me
You're dead to me, dead to me
You're dead to me, dead to me
