

## In A Good Way

Beady Belle

How am I supposed to say to you  
That I'm gonna leave tonight ?  
How am I supposed to explain to you  
That I never loved you right ?

I will be gone forever  
All our connections I sever

Oh, can I possibly hurt you in a good way ?  
Oh, can I possibly hurt you in a good way ?

How can I explain the truth to you  
and expect you to believe ?  
How can I refuse and look down on you ?  
How am I supposed to leave ?

I will be gone forever  
All our connections I sever

Oh, can I possibly hurt you in a good way ?  
Oh, can I possibly hurt you in a good way ?
