

Playing with Fire

Beady Belle

Come on

Sweeping my finger through the flame
How slowly can I glide, not gettin' burned in this game
How long can I handle the heat?
How long can I handle it?
Tempting, faith
How long can I handle it?

Playing with fire
Burning inspire
Levelling higher, and higher, and higher
Ooh, oh-oh-oh-oh (Come on)

All lights come down and flames go out
I'm wondering what this was all about
A good or a bad trip
How long can I handle it?
Wiping the soot of my fingertip
How long can I handle it?

Playing with fire
Burning inspire
Levelling higher, and higher, and higher
Ooh, oh-oh-oh-oh

There will be new flames
There will be new games
New light in the candle's But in the long run
Don't see the hunger
But the promise in an unlit wake

Playing with fire
Burning inspire
Levelling higher, and higher, and higher, and higher
Burning inspire
Levelling higher, and higher, and higher, and higher (Playing with fire, ooh)
Oh-oh-oh-oh-oh

Huh
Ooh-yeah
Uh
Come on
Woo
Huh
