

## For Anyone

**Beady Eye**

For anyone who knows  
For anyone who's been  
Forever in my heart  
I'll see you in my dreams

For anyone who loves  
For anyone who feels  
I'm never giving up  
Until the dream is real

I know it's gonna be alright  
Forever I'll be by your side

For anyone who knows  
For anyone who's been  
Forever in my heart  
I'll see you in my dreams

I know it's gonna be alright  
Forever I'll be by your side

For everyone who loves  
For everyone who feels  
I'm never giving up  
Until the dream is real (4x)
