

In the Bubble with a Bullet

Beady Eye

Waking up in dreamland
Rolling out the bed
Can't take anymore,
If I had any left

Mindless conversation,
There's nothing just quite like
First thing in the morning,
'Bout what we did last night

Well we was looking for trouble,
In our bubble, me and you!!
Burning up on re-entry,
Where you send me
I'm bulletproof
Do what we wanna do

You make a contribution,
To where your supposed to be
If its not you,
Then its not me

We was looking for trouble,
In our bubble, me and you!!
Burning up on re-entry,
Where you send me
I'm bulletproof
I'm bulletproof
Do what we wanna do

We do what we want
We do what we want
We do what we want
We do what we want
We do what we want
We do what we want
We do what we want
We do what we want
Oh yeah
