

Off At The Next Exit

Beady Eye

Tell me what you want
Tell me what you need tonight
Open up your arms
Let me be there, let me be there
Here we go again, needing to explain
Just what's in our brains is never clear, never clear

Are you giving me up?
Are you giving me up?
Are you giving me up babe?
'Cos I get the fear
The more I get you near
The more you fade away
Oh yeah

So what you wanna hear
Is what I'm gonna say
Any games you play
I'll be here, I'll be here

Are you giving me up?
Are you giving me up?
Are you giving me up babe?
'Cos I get the fear
The more I get you near
The more you fade away
Oh yeah

What you gonna do when the rain comes in?
Who you gonna call to do something about it?
Who'll pick you up when you're spread too thin?
When the walls you built are closing in around you?
I found you

'Cos I get the fear
The more I get you near
The more you fade away
Oh yeah
