

Agape

Bear's Den

Agape,
Please don't dissipate,
I know that I have got it all wrong.
I'm reaching out,
To touch your voice,
But baby, I'm clutching at straws.
Even though,
Your words hurt the most,

I still wanna hear them, every day.
You say let it go,
But I can't let it go.
I won't leave, every word that you say.

For I'm so scared of losing you
And I don't know what I can do about it,
about it.
So tell me how long, love, before you go
And leave me here on my own
I know that I don't wanna know
who I am without you.

Oh agape,
Please don't dissipate,
yeah I know I've got it all wrong.
I'm reaching out
To touch your voice
But baby I'm clutching at straws.

For I'm so scared of losing you
And I don't know what I can do about it,
about it.
So tell me how long, love, before you go
and leave me here on my own,
I know that, I don't wanna know
who I am without you.

I don't wanna know
I don't wanna know
I don't wanna know

For I'm so scared of losing you
And I don't know what I can do about it,
about it.
So tell me how long, love, before you go
and leave me here on my own
I know that,
I know that,
tell me how long, love, before you go
and leave me here on my own
I know that,
I don't wanna know who I am without you
I don't wanna know who I am without you.
