

Gone So Gone

Bearings

Said you might move away
Why don't you just go and say
What I know you really want to
Yeah, I know you really want to

Tell me how I fuck up everytime
Tell me how every single thing I says a lie
And now I never really know what I feel inside

Cause I'll be gone so gone
Before you even notice
I was wrong
There's nothing you can say now
Cause I'll be gone so gone
The words are barely spoken
I won't fuss
We're here for a just moment
It's not yours or anyones

You can always hit me up
If something serious is wrong though
We don't really talk so, I don't see it
Aw forget it
Tell me how I fuck up everytime
Tell me how everything I do is never right
I don't wanna be the one to change your mind

Cause I'll be gone so gone
Before you even notice
I was wrong
There's nothing you can say now
Cause I'll be gone so gone
The words are barely spoken
I won't fuss
We're here for a just moment
It's not yours or anyones

I'll be gone so gone
Before you even notice
I was wrong
There's nothing you can say now
Cause I'll be gone so gone
The words are barely spoken
I won't fuss
We're here for a just moment
It's not yours or anyones

Cause
I'll be gone so gone
I'll be gone so gone

Cause I'll be gone so gone
The words are barely spoken
I won't fuss
We're here for a just moment
It's not yours or anyones
