

I Don't Know

Bears In Trees

I don't know where I'm going
And I don't know where I've been
All I know is I don't know where I'm going or where I've been

I don't know where I want to go
And I don't know where I want to have been
All I know is I don't know where I'm going or where I've been
Where I want to go or where I want to have been
