

## Sick And Disgusting

Beartooth

Remember the time you said son it'll be alright  
Remember the time you said son it will be just fine  
Well I'm waiting for the day that my mind says it's had enough  
And I pray that day comes soon so I can finally feel loved

I just wanna feel loved  
I just wanna feel loved

Remember the time I said god I'm ready to die  
Remember the time I said god just take my life  
Remember the time that I cried every single night  
And every thing about myself was out of spice

Sick joke, sick joke, that's all I'll ever be to anyone  
Sick joke, sick joke, that's all you'll ever be to anyone  
I'm nothing but sick and disgusting  
I'm nothing but sick and disgusting

God I don't know if I'll ever be ready to die  
God I'm too much of a coward to give you my life  
And I know that I'm still gonna cry every single night  
But if you want me I'm gonna stay here  
and fight till you say son your heart is mine

Dad I don't wanna be sick and disgusting  
Daddy I don't wanna be sick and disgusting  
Dad I don't wanna be sick and disgusting  
Dad I don't wanna be sick and disgusting
