

## Chinese Jet Set

BEAT CRUSADERS

girl in the class  
nice in the Mao

this is my first teenage love  
she's a Chinese "JET SET"  
maybe one-way bitter love

everyone's gotta steal her heart  
no one has ever done  
just because

oh, you're splendid  
but lovin' nobody  
i don't get it  
i don't get it

all descendents  
idiotize me  
i don't get it  
i don't get it

in the night  
cryin' in my mind  
it's torture  
girl in the Mao

girl in the Mao...
