

## Cum On Feel The Noize

BEAT CRUSADERS

Cum on feel the noize...  
Cum on feel my love and destroy!

I don't have a right  
I don't even lie  
I don't wanna cry  
But everyday I sigh

I know the delight  
The reason you deride  
Never gonna cry  
Until you gotta do  
Remember

I don't have a right  
I don't even lie  
I don't wanna die  
Sakes! Jesus Christ!

I know the delight  
The reason you deride  
I'll never gonna die  
Until you gotta do  
Remember

God, save the world!  
Don't want to say good-bye  
God, save the world  
Don't know the way we should go

Cum on feel the noize  
Cum on feel my love and destroy!  
Cum on feel the noize  
Cum on feel my love and destroy!  
Now!

Right!

Search and destroy!
