

Yeah

Why don't you show me

This is gonna be a heartache something you load me

Yeah

Why don't you bow me

This is gonna be a hard day someone's told me

Told me quite before

Yeah

Why don't you show me

This is gonna be a heartache something you load me

"Oh, yeah"

Why don't you call me

You know that I need a girlfriend someday to hold me

Hold me at the door
