

# Fairy Tale

BEAT CRUSADERS

Why don't you gonna break?  
You know how they gonna take

Why don't you wanna escape?  
You know how they gonna play

Stars are shining on you  
In nights on the planet  
I know you'd be far away  
Star's away  
Even though I never  
Trace you live

Fairy tales I recall  
Never fade to grey  
And shining it on  
My world  
Two hearts will beat as one  
Beat as one  
Beat as free

Sweet lovely days I recall  
Never fade to grey  
And shining it on  
My world  
Two hearts will beat as one  
Beat as one  
Beat as free

Beat as one, beat as one, beat as free

Stars are shining on you  
In nights on the planet  
I know you'd be far away  
Star's away  
Even though I never  
Trace you live

Fairy tales I recall  
Never fade to grey  
And shining it on  
My world  
Two hearts will beat as one  
Beat as one  
Beat as free

Sweet lovely days I recall  
Never fade to grey  
And shining it on  
My world  
Two hearts will beat as one  
Beat as one  
Beat as free

Beat as one, beat as one, beat as free
