BEAT CRUSADERS

You know this world's against my pride
But still I've got to rock your soul
I walked alone against the sun
Chewing gum stuck beneath my sole

This is my fault
"You don't have to think like that"
This is my fault
"You don't have to think like that....."

I don't know if you need me
Say you'll be mine always
How I'm gonna reach you
Can't help I fall

If all the world would shut my mouth
Never got to sell my soul
It seems the world's against my sound
No one's knockin' at my door

This is my fault
"You don't have to think like that"
This is my fault
"You don't have to think like that....."

I don't know if you need me
Say you'll be mine always
Beggin' on my knees, yeah!
Can't help I fall
