

Get Up! Get Up!

BEAT CRUSADERS

Wow, we got a whole lotta new ideas
Wow, we say good-bye long standing fear

There ain't no enemies
(Get up! Get up!)
Why don't you come to me?
(Get up, now!)
There ain't no tragedy
(Get up! Get up!)
Why don't you trust in me?
(Get up! Get up! Get up, now!)

Destroy the rule
Just burn it up
Destroy the rules
Turned you out

I feel all generations
Must be in desperation
Get down your isolation now
We got a situation
