## I Wanna Go To The Disko

## **BEAT CRUSADERS**

I wanna go to the disko Want you have fun I wanna go to the disko It's alright with me Wow

I wanna go to the disko
Want you have fun
Why not trust in me? oh girl!
It's alright with me
Wow

Let me dance in a moment
There is something left to blind you
Let me trance in a moment
There is something left to blind you
(wait for another calls)

Wait for the sun Alone in a dawn (all night long) Wait for the sun Alone in a dawn (all night long) Wow
