Imagine?

BEAT CRUSADERS

```
Do you imagine?
I was stroking so hard to hard to shine
Do you imagine?
I was stroking so hard to hard to flash

Oh, why'd you get low
I don't know why you get slow
I don't know why you get low
'cos you can dance

Oh girl!
You're not the lonely girl
You're not the lonely one
'cos i knew you know what it's to be

Do you imagine?
I was stroking so hard to shine
Do you imagine?
I was stroking so hard to flash

Oh, why'd you get low
I don't know why you get slow
I don't know why you get low
'cos you can dance

Oh girl!
You're not the lonely girl
You're not the lonely one
'cos i knew you know what it's to be

Oh girl!
You're not the lonely girl
You're not the lonely one
'cos i knew you know what it's to be
