

# Overkill

## BEAT CRUSADERS

Yeah ! Don't go  
Overkill my soul  
Yeah ! Hold on  
Overkill my bone

Cold feet coming so gently  
I'de be tryin' to hide alone  
Heartbeats always go rush me  
To be outta my loneliness

Why should I ?  
How should I be in free ?  
Why should I ?  
How should I be in free ?  
Tell me, I want you to...

Yeah ! Don't go  
Overkill my soul  
Yeah ! Hold on  
Overkill my bone

Cold feet coming so gently  
I'de be tryin' to hide alone  
Heartbeats always go rush me  
To be outta my loneliness

Why should I ?  
How should I be in free ?  
Why should I ?  
How should I be in free ?  
Tell me, I want you to...

Shut your mouth and open up the door to know  
There is always better way to go

Cold feet coming so gently  
I'de be tryin' to hide alone  
Heartbeats always go rush me  
To be outta my loneliness

Yeah ! Don't go  
Overkill my soul  
Yeah ! Hold on  
Overkill my bone
