BEAT CRUSADERS

I got a feelin' if you're thievin' you may go to the hell
Go to the hell
Go to the hell
I got a feelin' if you're thievin' you may go to the hell
Go to the hell
Oh my lord!

I was walkin' down the beach one sunny day
Dozen hoods were takin'-on over again
Million doallars' cast ashore onto the bay
Diggin' everything, why not? Running away!
