

# Summerend

BEAT CRUSADERS

This is a sound of summerend  
The summer ends  
The silence comes in

This is a sound of summerend  
The summer ends  
The silence falls in

Every vessel has been tied and  
Calm down  
Tracing every memory of you  
Now

Here comes sound of summerend  
The summer ends  
The silence comes in

Here comes sound of summerend  
The summer ends  
The silence falls in

Every single day we used to  
Calm down  
Tracing every memory left  
Behind

Ocean  
Emotion  
Cautions  
Oh...

This is a sound of summerend  
The summer ends  
The silence comes in  
Every single day we used to  
Calm down  
Tracing every memory left  
Behind

Ocean  
Emotion  
Cautions  
Oh...
