

# Treason

BEAT CRUSADERS

Ah,  
Raise a treason delights love  
Raise a treason tonight...

The wall is closing town  
Midnight blue  
You saw it on my back  
Black and blue

The eyes are watching us  
Like a zoo  
The morning never comes  
In front of you

Don't know  
The way we should go  
Don't know  
How long until dawn  
Don't know  
Allies and foes  
Oh, why don't you hold me

Now?  
Raise a treason delights love  
Raise a treason tonight  
Ah,  
Raise a treason delights love  
Raise a treason tonight
