

We're All Alone

BEAT CRUSADERS

Outside the rain begins and it may never end
So cry no more, on the shore of dreams
Will take us out to sea
Forever more, forever more

Close your eyes and dream and you can be with me
'Neath the waves through the caves of hours
Long forgotten now
We're all alone, we're all alone

Close the window, calm the light
And it will be all right
No need to bother now
Let it out. let it all begin

Learn how to pretend

Once a story's told it can't help but grow old
Roses do, lovers too, so cast your seasons to the wind
And hold me dear, oh hold me dear

Close the window, calm the light
And it will be all right
No need to bother now
Let it out. let it all begin

All's forgotten now
We're all alone, we're all alone

Close the window, calm the light
And it will be all right
No need to bother now
Let it out. let it all begin

Throw it to the wind, my love
Hold me dear
All's forgotten now, my love
We're all alone
