BEAT CRUSADERS

i got a sliver drifting on the wave  
i got a shiver twisting all the fate  
i got a sliver drifting on the wave  
i got a shiver twisting all the fate

work it out  
work it out  
i got a sliver drifting on the wave  
work it out  
work it out  
oh~

i got a sliver drifting on the wave  
i got a shiver twisting all the fate  
i got a sliver drifting on the wave  
i got a shiver twisting all the fate

work it out  
work it out  
i got a sliver drifting on the wave  
work it out  
work it out  
oh~

work it out  
we can  
work it out  
i got a shiver twisting all the fate  
work it out  
we can  
work it out  
oh~
