

Sea Babies

Beat Happening

Met 'em both at the worst food lot
I got something in my eyes
Can't remember what it says
Can't keep things inside my head

I don't know, what's that say?
Nobody taught me, will you teach me today?
What's that say? I can't see
I don't know why but there's something I need

Want to talk about the things you know
My head sees like TV snow
'cause I got something in my eye
I can't talk, I'm too shy

Teach me the letters of the world
I need words to be heard
Make the sun melt away the haze
Clear the fog from my gaze
