

Got To Get You Trapped Under Ice

Beatallica

You are in Hell, you're in a shell
Only ice iz what you'll find there
A frozen core, can't take no more
You'll freeze right out your f**kin' mind there

OOOOOH!! Then I suddenly see you
OOOOOH!! Did I tell you I'll freeze you
Every single day of your life?

What can you do, what can you see?
All they have iz M-TV there
Can't move at all, can't hear your call
Bananarama'z all they play there

OOOOOH!! You were meant to be freezing
OOOOOH!! Crystallized and you're sneezing
No one knowz or hearz what you say

Got to get you trapped under ice!

You cannot run, you cannot hide
Cuz the ice securely holdz you
Wrapped up tight, can't move, break free
Hand of Doom iz so f**kin' cold, ooooooh!

OOOOOH!! Then I suddenly see you
OOOOOH!! Did I tell you I'll freeze you
Every single day in the ice?

Got to get you trapped under ice!
