

Hero Of The Day Tripper

Beatallica

Got a good reason for taking the wicked way out
Got a good reason for taking the wicked way out

I'm the hero of the day tripper
A flame keeper yeah
Can't you hear your babies cry out?
They cry out

I'm a big sleazer—put you in your easy chair
I'm a big sleazer—rock you with wheels of despair

I'm the hero of the day tripper
Feel the fist I make
Can't you hear your babies cry out?
They cry out

Tried to break me—dreams everlast the night screams
Tried to break me—dreams everlast the night screams now

I'm the hero of the day tripper
You hide until it's light
Can't you hear your babies cry out?
They cry out

Hero of....day tripper, yeah
Mama they tried to break me....
