

I'll Be There

Beatenberg

All this time
I've been watching you grow
I have given
You all that I know
When you win
When you lose
When you're tired and confused
I'll be there

In the times
When the going is rough
You will find
That I taught you enough
From the sky
Through the clouds
In a voice clear and loud
I'll be there

Don't give up
Don't let go of my love
Like a thread
Hanging down from above
In your heart
Is a flame
You will carry my name
I'll be there

I'll be there (be there)
I'll be there (be there)
I'll be there
I'll be there (be there)
I'll be there (be there)

Down the path
Through a tangle of vines
Oh this journey is yours
It's not mine
But look up
Through the leaves
If you trust and believe
I'll be there

I'll be there
I'll be there
I'll be there
I'll be there...
