My biggest fear is trying with me with my daughter in my car  
This rap shit is overrated I don't like being a fucking star  
Like scarface my mind is l=playing tricks on me  
I feel some type of way no rick homie  
Its fucked up being rich alone hold up  
I don't be in the club with thirty niggas  
Cause I don't know thirty real niggas  
In five years I've seen a lot of niggas switch On me turn bitch on me  
With my iphone full of niggas who want some  
And I don't trust these bitches either they'll set you up for attention  
That's why I doug all these hoes  
Swinging isolated on fours

I don't feck with these broke bitches  
I'll be isolated  
Houla  
If I ain't fuck with you last year  
Then I'll fuck with you  
I'll be isolated  
One deep  
Ride around in that benz  
Turning up with my team

See I live by the lake big metal gate  
I'll be isolated  
Screwed up click being in this shit  
What you constipated

Talking hin things three hundred vans calculated  
See they mad he made it  
Ain't fell off yet now they aggravated  
Originated I'm duplicated no  
See them all in the mouth raw dog I ain't lubricated  
You ain't real you hallucinated  
Same ain't real you debating spin the fifties and hundreds  
Hot every sunday beyond imagination  
Can't live that life kids ain't right  
And I don't give a damn what a broke nigga says  
GPS to the bank road why you all going where the broke niggas at  
No campaigning gates no I don't get tagged  
Never snitch I can't get white  
I'm my own boss I don't get fired  
It's wrong thought on this side

I'll be isolated  
Houla  
I don't fuck with these broke niggas  
I don't feck with these broke bitches  
I'll be isolated  
Houla  
If I ain't fuck with you last year  
Then I'll fuck with you  
I'll be isolated  
One deep  
Ride around in that benz  
Turning up with my team  
I'll be isolated
