

Just Like That

BeatKing

Why your face so ugly?
Just like that
Just like that (hah, am I doing this right?)
Just like that (you want me to do it right here?)
Just like that

Pop it on the wall
Pop it on my balls
Throw that ass aggressively
It makes me wanna fall
Pop it on the wall
Pop it standing tall
Pop that ass, I don't care
If it's big or it's small

Pop it, pop it, pop it, pop it
Pop it, pop it just like that
Pop it, pop it, pop it, pop it
Pop it, pop it, bring it back
Pop it, pop it, pop it, pop it
Pop it, pop it just like that
Pop it, pop it, pop it, pop it
Pop it, pop it, bring it back

I pop it, oh just the way you like, yeah
I drop it, oh I drop it like it's hot
I eat it up when I walk in the club
Fifty plates in this place, I ain't leaving no crumbs
And booty bouncing like the sound of a drum
It go bum bum bum bum bum
I got some niggas on the side (just like that)
I got bitches down to ride
I might change your life when you see me (just like that)

Pop it on the wall
Pop it on my balls
Throw that ass aggressively
It makes me wanna fall
Pop it on the wall
Pop it standing tall
Pop that ass, I don't care
If it's big or it's small

Pop it, pop it, pop it, pop it
Pop it, pop it just like that
Pop it, pop it, pop it, pop it
Pop it, pop it, bring it back
Pop it, pop it, pop it, pop it
Pop it, pop it just like that
Pop it, pop it, pop it, pop it
Pop it, pop it, bring it back

Why your face so ugly?

I feel it in my body
I feel it in my body
I feel it in my body

Just like that
Put your hair right down
Just like that
Whisper in my ear
Just like that
Just like that
