

Keisha

BeatKing

Keisha she the livest of her partners
Middle of the stage for that paper she gon' drop it
She gone off that liquor, her home girls always blocking
But she love to twerk they can't stop it
Bust it down, bust it down, bust it down, bust it down
Bust it down, bust it down, bust it down, bust it down
Ass up, face down

Club God young H-Town nigga grippin' grain
Got your main on my dick and I don't know her name
She gon' bust it for a rich nigga with some fame
Heard she got that whip, when I'm finna her make it rain
Trick throw that ass like a motherfucking pass
If she drop it fast Imma throw this fucking cash
It don't matter if she yella or she dark or she tatted
If she thick I gotta have it, I'm a strip club addict
Girl tryna fuck with you
When I get she to the room, girl you know what to do
Head down, ass up girl you know the rules
You finna fuck a fat nigga tonight, bitch I'm the truth

Keisha she the livest of her partners
Middle of the stage for that paper she gon' drop it
She gone off that liquor, on girls always blocking
But she love to twerk they can't stop it
Bust it down, bust it down, bust it down, bust it down
Bust it down, bust it down, bust it down, bust it down
Ass up, face down

She said she dancin' but she go to school
I said either way I spend it on you, what it do
Heard I used to hit a couple shawtys in your crew
But that pussy old and your pussy brand new
Landed in the H told her where I stay
Get here right way
Liquor up on my breath I still smell like the MIA
Keisha know the deal though bring that other Keisha with you
Kiss her, fuck her with a dildo, face all in the pillow
Then put on your clothes and go to work
I'ma pull up round 2 and spend it like a customer
After that it's round two, me on you and you on her
Her on me [?] shirt
Tomorrow's a fucking blur
Me Keisha and Keisha

Keisha she the livest of her partners
Middle of the stage for that paper she gon' drop it
She gone off that liquor, on girls always blocking
But she love to twerk they can't stop it
Bust it down, bust it down, bust it down, bust it down
Bust it down, bust it down, bust it down, bust it down
Ass up, face down

Them bitches here be actin' like they workin' I swear them bitches don't be doing shit
I swear the first time I see Keisha in person I put them bitches in a pool party

The Keisha babe so my type it's like her first name stereo
I wanna see if that right but I can't see that on the radio
Lil Keisha drop it down to the floor
She got my ex bitches checkin' on me
That Keisha right here gettin' naked on me
I call her shampoo she caressing on me
She got a nigga goin' dick so hard, she thinkin' I got a pissin' on me
I'm sippin' on the drank, jammin' on the screw, money in the bank, girl what
it do?
Young [?] hit me with that whoo
Baby I'm a soldier hit you with that [?]
We ain't on the beach but a nigga sure
Bet that pussy make a nigga go to war
Pearl Harborm, she jam the carter
I think lil Keisha from the 9th Ward

Keisha she the livest of her partners
Middle of the stage for that paper she gon' drop it
She gone off that liquor, on girls always blocking
But she love to twerk they can't stop it
Bust it down, bust it down, bust it down, bust it down
Bust it down, bust it down, bust it down, bust it down
Ass up, face down
