Fresh off the side
Pancake cross the top
I'm a toss yo [?]
When the boss get across the lot
Lil Carter floss the drop
In the back got 4 screens
And they showin porno
Sunday they show Joel Osteen
My slab is catastrophic
These boppers sittin on ostrich
Your main bitch on my boxers
She's holding my dick hostage
If I press this button
Its goin make my trunk fall
4 15s hit and I can feel the bass on my balls
Watch them [?] crawl
I got warrants [?]
Michael watch chopped the beat
Imma find a freak to fuck us all
Riding down West town
And tippin on fo'fos like I'm Paul
Bleeding down yo' block
Knockin off plasmas off the wall
Hold up

(Run side to side, pancake from the top)
Hold

(Run side to side, pancake from the top)

Front side to side
Pancake cross the ceiling
But I ain't got a ceiling
Got these haters in their feelings
Carter wanna kill 'em
But I like my rap career
Offside nigga riding sly
We keep them straps in here
Hold
Bumpin' as you se
Whaddup ESG
I'm a mitch
I did a song with Don King
Yup
Studewood bitch
Where you find me
Wid a bad B
That you kissed in the mouth last week
Hold up
Throw it as a spare
Suicide doors look like bunny rabbit ears
We say swing you say steer
H-Town we holdin'
If I cut my beat past 12
This going sound like an explosion
I'm rollin with that
